

PowerConnect High Speed™

A new value in dial-up Internet access

PowerConnect High Speed™ is a premier service that provides unlimited monthly access to the Internet. With speeds up to 5 times faster* than standard dial-up, you'll get the most out of your Internet experience. Combine that with a pop-up blocker, 5 email addresses, and 10MB of webspace and you have the best dial-up value available.

When you choose PowerNet Global as your Internet Service Provider (ISP), you're never stuck without an answer. Our toll-free and online technical support is ready to assist you with any of your Internet connection questions 24 hours a day.
