

## Real value in dial-up Internet access

PowerNet Global Dial-Up Access is a fast, easy and reliable way to access the Internet from your home. We also provide exciting add-on features at no additional charge, so you get the most out of your Internet experience. However you choose to use the Internet, you won't find a faster, more reliable dial-up connection.

When you choose PowerNet Global as your Internet Service Provider (ISP), you're never stuck without an answer. Our toll-free technical support line is available to assist you with any of your Internet connection questions 24 hours a day.
